Clinical Laboratory Test Update

Information for Outreach Clients Only - Methotrexate

Effective immediately, the University of Colorado Hospital has discontinued Methotrexate testing due to instrument malfunction and discontinued support of the analyzer by the vendor. All specimens for Methotrexate testing will be sent to the Children's Hospital Colorado Clinical Laboratory in Aurora, CO.

Please consider sending Methotrexate samples directly to Children's Hospital Clinical Laboratory in Aurora, CO to avoid delays in resulting. Call Children's Hospital Colorado at 720-777-6711 for all questions, including specimen collection and test information.

Please call Geza Bodor, MD at 720-848-6032 if you have any questions or visit our website at <https://www.uchealth.org/professionals/uch-clinical-laboratory/> for additional information.
