

## **Anonymous Reporting: Implications for Medical and Law Enforcement Professionals in Colorado**

Date: 1/15/17-12/31/17

Time: Online Course

Place: Online Course

Fee: Free

### **Name of Presenter(s) with Credentials:**

- Kim Nash, BSN, RN, SANE-A, SANE-P
- Detective Sergeant John Koch, Colorado Springs Police Department Special Victims Section

### **Target Audience:** (Must include RNs)

Colorado health care professionals (including registered nurses, physicians and physician assistants) and Colorado law enforcement investigators who work with known or suspected sexual assault victims.

### **Objectives:**

1. Discuss the reporting options for victims of sexual assault in Colorado.
2. Review the process for medical professionals when a patient with a history of sexual assault opts for the anonymous reporting option.
3. Discuss the initial law enforcement approach for each reporting option for victims in Colorado.
4. Review CSPD process for assigning a case report number and the storage of evidence for Anonymous reports.
