

**Medical Response to Sexual Assault Patients:
Best Practice Training for Medical Professionals**

Date: January 15, 2017-December 31, 2017

Time: Online Course

Place: Online Course

Fee: Free to Colorado healthcare professionals

Presented by:

Kim Nash, BSN, RN, SANE-A, SANE-P

Target Audience: (Must include RNs):

Colorado healthcare professionals (including registered nurses, physicians and nurse practitioners) responsible for conducting medical exams that includes evidence collection for patients who present for care with a report or suspicion of sexual assault.

Objectives:

- Review the steps in the Colorado Sexual Assault Evidence Collection Kit.
- Discuss the prevalence of sexual assault and the health consequences of sexual violence.
- List the Colorado reporting options.
- Define the consent process and ability of the patient to determine disposition of evidence.
- Discuss the foundational components of a medical forensic exam.

Register online by filling out the registration form in its entirety. [REGISTRATION FORM](#)
