Clinical Laboratory Test Update

Theophylline – Discontinued at University of Colorado Hospital Clinical Laboratory

Effective July 15, 2021 the UCHealth University of Colorado Hospital Clinical Laboratory will no longer perform Theophylline testing on site. If a sample is received for Theophylline testing, the sample will be couriered to Memorial Hospital where testing is performed 7 days per week.

Please contact Dr. Greg Bocsi at 720-848-7050 if you have any questions or visit our test catalog at <https://www.testmenu.com/universityhospital> for additional information.
