List of Providers Covered by UCHealth's Financial Assistance Policy

Effective 07/2021

Most emergency and medically necessary care provided by physicians in UCHealth facilities is covered by the UCHealth Financial Assistance Policy (FAP).

Physicians working at each facility who are covered under the FAP are identified in this Provider List, by name and the hospital or facility where such physician practices. **Professional services provided by these physicians are covered by UCHealth's Financial Assistance Policy (FAP).**

The list is available online at uhealth.org, in all UCHealth Emergency Departments and admissions areas, and upon request from a UCHealth Financial Counselor.

This listing is updated quarterly. If you do not see a physician listed here and want to verify whether he or she is currently covered under the UCHealth FAP, please call Financial Counseling at 855.843.3547.
