Lista de profesionales de la salud no cubiertos por la política de asistencia financiera de UCHealth Vigente 07/2021

En su mayoría, la atención de emergencia y aquella medicamente necesaria que brindan los médicos en nuestras instalaciones de UCHealth está cubierta por la política de asistencia financiera de UCHealth (FAP, por sus siglas en inglés).

Los médicos que trabajan en cada ubicación y que no están cubiertos por la FAP se identifican en esta lista de profesionales de la salud, por nombre y centro hospitalario donde ejercen. **Los servicios profesionales proporcionados por estos médicos no están cubiertos por nuestra política de asistencia financiera (FAP).**

Además, esta lista está disponible en línea en uchealth.org, en todos los Departamentos de Emergencias de UCHealth y áreas de ingresos, también si la solicita a un asesor financiero de UCHealth.

Esta lista se actualiza trimestralmente. Si no ve a un médico en la lista y desea verificar si él o ella está cubierto actualmente por UCHealth FAP, llame a Asesoría Financiera al 855.843.3547.
