

University of Colorado Hospital

Current Residents

Grace Erdman
Grace.Erdman@UCHealth.org

Grace Erdman grew up in Exton, Pennsylvania and completed her bachelor's degree in Biology at Rensselaer Polytechnic Institute in Troy, NY. She then obtained her PharmD from the University of Pittsburgh School of Pharmacy and is thrilled to start her career at the University of Colorado Hospital as a PGY1 resident. Her professional interests include critical care, solid organ transplant, and emergency medicine with plans to pursue a PGY2 in her primary area of interest. Grace comes from a passionate Philly sports family (Go Birds!) and loves to stay active, so she is looking forward to taking advantage of all the fitness and outdoor activities that Colorado has to offer.

Eleni Gamvroulas
Eleni.Gamvroulas@UCHealth.org

Eleni Gamvroulas was born and raised in Salt Lake City, Utah. She received her BA in Communication Studies from the University of Utah and then headed up campus to The University of Utah College of Pharmacy for her pharmacy schooling. Eleni is thrilled to start her journey as a PGY1 at the University of Colorado and finally leave Utah! Her advanced practice rotations sparked a love for oncology, pediatrics, and critical care pharmacy, and she hopes to gain more experience in those fields and complete a PGY2 in one of them. Eventually, Eleni hopes to practice pharmacy in an academic medical center where she can precept pharmacy students and serve as a guest lecturer. When Eleni isn't studying or working, she loves to eat brunch, host dinners, make charcuterie boards, and call her mom.

**Lanea Glauner**

Lanea.Glauner@UCHealth.org

Lanea Glauner grew up in Algonquin, Illinois before studying biology at Loyola University Chicago. There she found a love of pharmacy and completed her PharmD degree at the University of Illinois at Chicago. Lanea is ecstatic to explore life outside of the Midwest and begin her PGY1 residency at the University of Colorado Hospital. Her interests include solid organ transplant, critical care, and emergency medicine. She hopes to pursue PGY2 residency training in one of these areas before practicing at an academic medical center where she can conduct clinical research and precept students for years to come. When not at the hospital, Lanea loves to cook, bike, and attend live music events. She can't wait to finally see a show at Red Rocks!

**Jordan Jenrette**

Jordan.Jenrette@UCHealth.org

Jordan Jenrette was born and raised in Charleston, South Carolina, and she earned her B.S. in Biochemistry at Virginia Tech (go Hokies!). From there, she moved out west to pursue her PharmD at the University of Colorado Skaggs School of Pharmacy. She is thrilled to begin her journey as a pharmacist at the University of Colorado Hospital where she has worked as an intern over the last three years. Her professional interests include emergency medicine, critical care, cardiology, and caring for underserved patient populations. Jordan has always loved being near the mountains and enjoys hiking, road biking, backcountry skiing, and trying new breweries around Denver in her free time. Jordan is so excited to continue working with the incredible pharmacy team at the University of Colorado Hospital as a PGY1 pharmacy resident!

Elise Lawrence
Sarah.Lawrence@UCHealth.org

Elise Lawrence was raised in the West Texas town of Sweetwater. She completed her undergraduate work at The University of Texas at Austin (Hook 'em), where she received her B.S. in biology and completed a certificate in business foundations. She moved back to West Texas to pursue her dual PharmD/MBA degree at Texas Tech University Health Sciences Center in Abilene. Elise's professional interests include transplant, cardiology, and healthcare administration. She hopes to pursue PGY2 residency training with the intent to practice as a clinical pharmacist and one day become a clinical coordinator. Elise is very excited to be moving to the Rocky Mountains and can't wait to hit the slopes, hike, and sample the many breweries and restaurants in the area.

Miranda Norvell
Miranda.Norvell@UCHealth.org

Miranda Norvell was born and raised in Mechanicsville near Richmond, Virginia. She completed her undergraduate at Virginia Tech (Go Hokies!) where she earned her B.S. in Biochemistry. She then moved back to Richmond to attend Virginia Commonwealth University School of Pharmacy in order to earn her PharmD degree. Miranda has always loved the mountains and exploring new places, so she is thrilled to move to Colorado to complete her! Her current professional interests include internal medicine, ambulatory care, solid organ transplant, and everything in between. In her free time, Miranda can be found exploring new restaurants and places with her husband, going on hikes with her pup, listening to Taylor Swift, reading, and baking. She is looking forward to the many new sights and adventures Colorado can provide!
