

University of Colorado Hospital

## Current Residents

**Emily Dorgan**  
[Emily.Dorgan@UCHealth.org](mailto:Emily.Dorgan@UCHealth.org)

Emily Dorgan grew up on the southwest side of city of Chicago. She earned both her B.A. in Spanish and B.S. in Biology at the University of Illinois at Chicago. From there she and her dog packed and headed to the mountains to pursue a Pharm.D. at the University of Colorado Skaggs School of Pharmacy. She is elated to continue her pharmacy journey as a PGY1 resident at the University of Colorado Hospital after working as an inpatient intern for the last three years. Her professional interests include critical care, emergency medicine, infectious diseases as well as global/public health. Being in Denver has made it easy for Emily to pursue some new hobbies like winter skiing, road biking, hiking. She has also rediscovered some old hobbies like golf and rollerblading. Outside of the hospital you can find Emily exploring new restaurants and spending quality time with her dog, Blue. Emily is so looking forward to another year in Colorado and being surrounded by the wonderful pharmacy team at UCH!

**Lydia Ganaden**  
[Lydia.Ganaden@UCHealth.org](mailto:Lydia.Ganaden@UCHealth.org)

Lydia was born and raised in Kansas City, Missouri (Go Chiefs!). She received her B.S. in Biochemistry from the University of Arkansas and later moved back to Kansas City to pursue a Pharm.D. degree from the University of Missouri Kansas City. Her professional interests include solid organ transplant, infectious disease and ambulatory care. In her free time, she loves staying active, finding all the coffee/brunch spots, reading and spoiling her pup. She has always loved the mountains and exploring new places, and is so excited to have the opportunity to move to beautiful state of Colorado to complete a PGY1 residency.

**Madi Lebin**

**[Madelyn.Lebin@UCHealth.org](mailto:Madelyn.Lebin@UCHealth.org)**

Madi Lebin is a Colorado native, born and raised in Littleton, Colorado. She earned her bachelor's degree in biochemistry from the University of Colorado Boulder (Sko Buffs!) before moving back to Denver to teach tenth grade chemistry at KIPP Denver Collegiate High School. Through curriculum development and modification, she found a love for pharmacy and completed her Pharm.D. at the University of Colorado Skaggs School of Pharmacy. She is thrilled to be continuing her pharmacy education at the University of Colorado Hospital. Her professional interests include emergency medicine, toxicology, and critical care, and she hopes to pursue a PGY2 in one of these practice settings. In her free time, Madi enjoys reading a good book, exploring the mountains, camping, traveling, and spending time with her family and 2 year-old nephew, Graham.

**Cali Lunowa**

**[Cali.Lunowa@UCHealth.org](mailto:Cali.Lunowa@UCHealth.org)**

Cali Lunowa is originally from Wisconsin and completed her undergraduate education at the University of Wisconsin-Madison. Allowing her appreciation for progressive pharmacy practice and passion for the outdoors guide her move to Denver, she earned her doctorate from the University of Colorado Skaggs School of Pharmacy. Cali is proud to continue training at University of Colorado Hospital, after nearly four years as an ambulatory care pharmacy intern with UCHealth. Her clinical interests include oncology, infectious diseases and administration. Cali's professional goals include completing a PGY2 in oncology, precepting students, and enhancing transitions of care within health systems. Most weekends, you will find Cali on a mountain, whether it is on foot, skis or on horseback.

**Becca Powell**  
[Rebecca.Powell@UCHealth.org](mailto:Rebecca.Powell@UCHealth.org)

Rebecca Powell was born and raised in Athens, Georgia and originally graduated with a bachelor's degree in Finance from the University of Georgia. After working in investments for a few years, Becca was motivated to pursue a degree in healthcare after losing her grandmother to metastatic lung cancer. She returned to her alma mater to complete her Pharm.D. and is ecstatic to be moving out west for PGY1 training at UCHealth! Becca's current professional interest areas include oncology and critical care, with a special passion for mentoring and precepting the pharmacists of the future. In her free time, Becca enjoys a good Peloton sweat session, attempting the daily New York Times Crossword, and long strolls around Costco. She's excited to finally turn her Georgia "nature walks" into true hikes in the Rockies – especially with her golden retriever pup, Olive.

**Madhu Rao**  
[Madhumita.Rao@UCHealth.org](mailto:Madhumita.Rao@UCHealth.org)

Madhumita ("Madhu") Rao grew up in Natick, Massachusetts, and completed her undergraduate studies and pharmacy school in a six-year program at Northeastern University. Her professional interests include infectious diseases, solid organ transplant, and oncology. She hopes to pursue PGY-2 residency training in one of her clinical interests before practicing at an academic medical center where she can conduct clinical research, precept students, and contribute to the hospital's pharmacy & therapeutics committee. As a huge fan of sunshine and the outdoors, Madhu is thrilled to explore life outside of New England and complete her residency at the University of Colorado! In her free time, Madhu can be found playing her piano, reading, jamming out to Taylor Swift, and hiking. She can't wait for the new adventures Colorado will bring!
