## Clinical Laboratory Test Update

### Discontinued Test – Phencyclidine, Urine (PCP)

Effective 9/27/2022, the University of Colorado Hospital Clinical Laboratory will no longer perform in-house screening for PCP in urine as a stand-alone test or as part of urine drug screening panels. When ordering urine drug screening for a patient with possible PCP exposure, the following order should be added separately in addition to the screening panel order.

Specimen	Preferred - 5mL urine in a sterile tube, container, or syringe
Methodology	Immunoassay
Storage/Transport	Onsite: Deliver to laboratory immediately. Offsite: Transport to laboratory refrigerated.
Epic Order	LAB3562 (Misc Test)

Please call Gregory Bocsi, DO at 720-848-7050 if you have any questions or visit our test directory at <https://www.testmenu.com/universityhospital> for additional information.

Issued: 9/15/22
