Patient Information

Thank you for choosing UCHealth. Below are the chargemaster prices for the most common services and facility fees at this location. These prices are the maximum charge that any patient might be billed for the service. The actual charge for any health care service rendered may be lower depending on applicable health insurance benefits and the availability of discounts or financial assistance.

The physician providing health care services here may bill separately from the emergency department for the health care services provided. Physician charges are not listed above.
UHealth Emergency Room – Arvada

Insurance Plans Accepted
UHealth works with insurance plans to provide access to our facilities to as many individuals as possible, and our facilities are in-network for most insurance plans. However, this emergency department or the physicians providing health care services here may not be a participating provider in your health insurance provider network. This facility accepts patients enrolled in Medicaid, Medicare, Tricare and CHP+.

If you are covered by health insurance, you are strongly encouraged to consult with your health insurer to determine accurate information about your financial responsibility for a particular health care service provided at this freestanding emergency department. If you are not covered by health insurance, you are strongly encouraged to contact UHealth customer service at 866.429.6045 to discuss payment options and the availability of financial assistance prior to receiving a health care service from this freestanding emergency department.
