**Poudre Valley Hospital**

<https://www.uchealth.org/professionals/residencies/pharmacy-residency-program-pvh/>

Thank you for your interest in our program at Poudre Valley Hospital (PVH)! We are searching for two exceptional residents for the upcoming 2023-2024 year.

PVH is located an hour north of Denver in Fort Collins, Colorado, and specializes in orthopedic surgery, neuroscience, oncology, bariatric weight-loss surgery, and women and family services for residents of northern Colorado, southern Wyoming and western Nebraska. We also offer a wide range of primary and specialized health services, from birthing and neonatal intensive care to hyperbaric oxygen and wound care. We have a comprehensive cancer center in addition to our expansive inpatient and outpatient oncology services throughout the region.

Our UCHealth partnership with University of Colorado Hospital in Denver and Memorial Hospital in Colorado Springs strengthens our healthcare services throughout the Front Range. The Northern Colorado hospitals in the UCHealth system include Medical Center of the Rockies in Loveland, Greeley Hospital in Greeley and Yampa Valley Medical Center in Steamboat Springs.

The program design at PVH offers a well-rounded PGY1 experience provided by our talented and dedicated preceptors.
