## Clinical Laboratory Test Update

Discontinued at University of Colorado Hospital  
Clinical Laboratory:

- OB Abuse Urine Toxicology Screen
- ED Abuse Urine Toxicology Screen
- Automatic Reflex Confirmation Testing for Positive  
Drugs of Abuse

Effective March 29, 2023, the University of Colorado Hospital Clinical Laboratory will no longer offer the ED Abuse and OB Abuse Drug Screening Panels. The Drugs of Abuse Screening panel can be utilized or single orders for specific drugs of abuse can be submitted for testing.

In addition, reflexing of confirmation testing for positive results in all drugs of abuse panels will be discontinued. If confirmation testing is required, please contact the Referral/Send Out department (720-848-7029).

Specimen	5mL urine in a sterile tube, container or syringe  Larger volumes are encouraged to provide enough sample for confirmation testing, if needed
Methodology	Immunoassay
CPT Code	80307
Epic Order	LAB3289 DOA SCN

Please call Gregory Bocsi, DO at 720-848-7050 if you have any questions or visit our website at <https://www.uchealth.org/professionals/uch-clinical-laboratory/> for additional information.

Issued: April 14, 2023
