Clinical Laboratory Test Update

CMV PCR Test Changes for Urine Source

On June 19, 2023, the University of Colorado Hospital Clinical Laboratory will begin to use the Roche cobas® 6800 test system for Cytomegalovirus PCR on Urine (CMVPCR).

Roche cobas® 6800 requires that specimens are received into the laboratory within 24 hours of being collected – please expedite sample delivery to the laboratory.

Please call the University of Colorado Hospital Clinical Laboratory Molecular Diagnostics Department at 720-848-6892 if you have any questions or visit our test catalog at <https://www.testmenu.com/universityhospital> for additional information.
