

## Meet our second year residents.

---

### **Alejandro Blich, M.D.**

**Dr. Alejandro Blich** came to us from Rota, Spain. He received his undergraduate degree from University of Utah where he studied Biomedical Engineering. He joined our residency after completing medical school at the University of Utah School of Medicine. A native Spanish speaker, Alejandro has worked as a Spanish interpreter at an underserved clinic; this inspired him to go into medicine. Alejandro's professional interests include using medical technology advancements, particularly point of care ultrasounds. In his spare time, he enjoys dancing, painting, playing video games, and being outdoors.

### **Kathryn Inzer, D.O.**

**Dr. Kathryn Inzer** attended college at Colorado State University majoring in Nutrition. She is from Colorado Springs, Colorado. Kat attended medical school at Rocky Vista University College of Osteopathic Medicine. Her main medical interests are lifestyle and preventive medicine, and women's health. She loves the easy-going outdoorsy lifestyle of Fort Collins. She appreciates her hardworking, happy and collaborative colleagues at the residency. In her downtime, Kat enjoys cycling (gravel, road, and mountain), reading, and hanging out with her family!

### **Frankie Jeney, M.D.**

From Columbus, Ohio, **Dr. Frankie Jeney** attending Colorado College for his undergraduate degree. He then went on to the University of Colorado School of Medicine for his medical degree. Frankie was motivated to become a physician after having observed the impact of illness on his own family. Dr. Jeney spent his third year longitudinal clerkship at the Fort Collins Family Medicine Residency and felt this would be a perfect place to train. He feels a close bond to the patient population and is happy to be in Fort Collins. In his free time, Frankie likes to golf, garden, and ski.

### **Leah Lieber, D.O.**

**Dr. Leah Lieber** graduated from Colorado College with a degree in Biology, and minor in Kinesiology. From Denver, Colorado, she pursued medical training at Rocky Vista University College of Osteopathic Medicine. After a month-long clerkship in Fort Collins, Leah immediately gravitated toward our supportive and kind training environment. She has varied professional interests, but particular passions for MAT, women's health, and preventive care. In her free time, Leah likes to ski, hike, and run; she is also a classically trained pianist and an avid photographer.

**Cora Lubchenco, D.O., OB/Peds Chief Resident**

A native Coloradoan, **Dr. Cora Lubchenco** is from Glenwood Springs. She attended Colorado College for her undergraduate degree, majoring in Sociology and minoring in Spanish Language. Cora attended medical school at Pacific Northwest University of Health Sciences College of Osteopathic Medicine. She chose osteopathic medicine because the philosophy and skills of a hands-on approach were true to her goal of being a versatile family doctor. Cora's professional interests include women's health, OB, and palliative care. In her free time, Cora enjoys trail running, skiing, and baking.

### **Curt Misko, D.O.**

Dr. Curt Misko, Jr., comes to us from Columbus, OH. He graduated from Kennesaw State University with a BS in Biology and attended medical school at the New York Institute of Technology College of Osteopathic Medicine. Dr. Misko was inspired to go into medicine when he spent his childhood watching his father attend medical school to become an Obstetrician. Dr. Misko considers himself a bit of a science geek so it was a natural fit. He has never considered doing anything else with his life.

Dr. Misko came to the Fort Collins Family Medicine Residency after completing an intern year in OBGYN. He was looking for a solid education in a broader specialty and found our program to have great leadership, in a beautiful area of the country. In his free time, Curt enjoys hockey, playing guitar, cooking, hiking, camping, fishing, hunting, travelling, and playing video games and board games with his family.

### **Daniel Schaefer, M.D.**

**Dr. Dan Schaefer** came to Fort Collins from Florida. He attended Florida State University, receiving a psychology degree in 2016 and a Master's in Public Health the following year. Dan attended medical school at Florida State University College of Medicine. He knew at a young age that he wanted to be a physician. Dr. Schaefer is interested in point-of-care ultrasound, medical Spanish, sports medicine, and nutrition. When he is not busy at work, Dan enjoys hiking, weightlifting, skiing, tending his garden, and serving as a minister at weddings.

### **AJ Schuster, M.D., Resident DEI Facilitator**

A native of California, **Dr. AJ Schuster** received their undergraduate degree from Biola University in Southern California and their medical degree from the David Geffen School of Medicine at UCLA. AJ was inspired to go into medicine after volunteering in Kenya at the age of 12. Dr. Schuster was drawn to this residency because of the full spectrum curriculum and the focus on serving the underserved. Their professional interests include LGBTQ+ and gender-affirming care, integrative medicine, and OB/gyn. When not working, AJ enjoys cooking, camping, and spending time with friends and family.
