EPIC Zebra Label Stock Clarification

Due to adhesive quality in the variety of available label stock, please note the lab preferred zebra label stock is Lawson# 37603. **Alternate label stock can lead to labels peeling off of samples leaving them unidentified and cause jamming and/or damage to laboratory instruments used for testing.**

Please contact the clinical laboratory at 720-848-4401 if you have any questions or visit our website: <https://www.uchealth.org/professionals/uch-clinical-laboratory/>
