Clinical Laboratory Test Update

Gentamicin: Discontinued at University of Colorado Hospital Clinical Laboratory

Effective 4/2/2024, the UCHealth University of Colorado Hospital Clinical Laboratory will no longer perform Gentamicin testing due to manufacturer reagent discontinuation. If a sample is received for Gentamicin testing, the sample will be sent by courier to the laboratory at Highlands Ranch Hospital where testing is performed 7 days a week.

Please contact Dr. Melkon DomBourian at 720-848-7050 if you have any questions or visit our website at https://www.uchealth.org/professionals/uch-clinical-laboratory/ for additional information.
