Clinical Laboratory Test Update

Serum Eye Drops - Vital Tears

As of January 1, 2024, UCHealth Pharmacy has discontinued Serum Eye Drops, and a new distributor is being used across the system: Vital Tears. Orders are placed via a Vital Tears submitter account by the drawing location and not available in EPIC for provider ordering, as this service is only available to those who have prepaid.

Patients asking about how to get eye drops should be referred to their provider for more information.

For patients who have an order and need blood drawn, Outpatient Lab locations are available for collections Monday-Friday before 3 pm to ensure same-day delivery (no collections on the weekends or holidays).

Please call Sendouts at 720-848-7029 if you have any questions or visit our test catalog at <https://www.testmenu.com/universityhospital> for additional information.
