Clinical Laboratory Test Update

**Streptococcus Pneumoniae** Antigen and **Legionella pneumophila** Antigen testing moving from MHC to UCH

As of 7/1/24, *Streptococcus Pneumoniae* Antigen and *Legionella pneumophila* Antigen testing will moved to UCH from MHC to be performed in-house in the Metro Denver region. The Clinical Laboratory will accept urine specimens on patients younger than 8 years old, either in a sterile container or boric acid preservative (grey top).
