

University of Colorado Hospital

Current Residents

Via Anderson
PGY-1 Acute Care
Olivia.Anderson@UCHealth.org

Via Anderson, originally from Everett Washington, earned her undergraduate degree in Biology from California Lutheran University before completing her Doctor of Pharmacy at Washington State University. Her clinical interests include emergency medicine and infectious diseases, and she plans to pursue a PGY2 residency in emergency medicine. Outside of pharmacy, she enjoys snowboarding, playing soccer (washed up collegiate athletes still got it), and reading non-fiction books. Via is excited to be leaving the rain and clouds of Washington for a life in Colorado (even though she is not an avid hiker) and further her learning with UCHealth!

Lindsey Fold
PGY-1 Acute Care
Lindsey.Fold@UCHealth.org

Lindsey is a North Carolina native who grew up in Charlotte and earned both her B.S. in Biology and PharmD degrees from the University of North Carolina at Chapel Hill (go Tar Heels!). During pharmacy school, she served as the inaugural Solid Organ Transplant intern at UNC Health, which ignited her passion for transplant medicine and solidified her desire to pursue a PGY2 in this specialty following her first year of residency. Outside of pharmacy, Lindsey thrives on adventure – whether she's training for a triathlon, going to concerts, traveling, or spending time with friends outdoors, she embraces every opportunity to stay active and explore. She is thrilled to call Colorado home and join the team at UCHealth as she embarks on her first professional journey outside of her home state.

Cameron King
PGY-1 Acute Care
Cameron.King@UCHealth.org

Cameron King is a born and bred Kentuckian. She completed her undergraduate studies and master's degree in public health at the University of Kentucky and earned her PharmD from the University of Kentucky College of Pharmacy. Her clinical interests are primarily in the realm of infectious diseases, with a particular interest in HIV care. She enjoys all things fitness, being outdoors, concerts, and Kentucky basketball (Go CATS!!!). When she isn't working, she unwinds by spending time with her loved ones and orange tabby cat, Atticus.

Emily Losinski
PGY-1 Acute Care
Emily.Losinski@UCHealth.org

Emily Losinski grew up in Thornton, Colorado earning her undergraduate education at the University of Northern Colorado and earning her PharmD at the University of Colorado Skaggs School of Pharmacy. Her clinical interests are in Solid Organ Transplant, Infectious Disease, and Ambulatory care settings. Emily also loves engaging with the upcoming new pharmacy students and hopes to participate in mentorship and precepting in their pharmacy career. When not at the hospital, you can find Emily painting her nails for her Instagram or sharing her love of bees with others. While many of her hobbies are crafty and indoors, Emily enjoys the 300+ days of sunshine and beauty of Colorado's nature.

Leah Rios
PGY-1 Acute Care
Leah.Rios@UCHealth.org

Leah Rios grew up in the rural copper-mining town of Globe, Arizona. She earned both her Bachelor of Science in Pharmaceutical Sciences and Doctor of Pharmacy degrees from the University of Arizona (Bear Down!). Her clinical interests include solid organ transplant and critical care, with hopes to pursue a PGY2 residency in one of those areas. Outside of pharmacy, you'll find her crafting with her Cricut, at a sports game, or trying a new local eatery. Leah is looking forward to joining the UCHealth team, swapping triple-digit temps for mountain views, and making the most of every opportunity residency and Colorado have to offer!

Taylor Streck
PGY-1 HSPAL
Taylor.Streck@UCHealth.org

Taylor Streck grew up in Iowa City, Iowa and attended the University of Iowa, where she studied pre-pharmacy and later obtained her PharmD (Go Hawks!). Her areas of interest include ambulatory care, cardiology, and operations. In her free time, Taylor enjoys reading, spending time with friends, going on outdoor adventures, and trying new things. She is excited to explore everything Colorado has to offer while continuing to learn and develop leadership skills in the HSPAL program!

Gavyn Walsh
PGY-1 Acute Care
Gavyn.Walsh@UCHealth.org

Gavyn grew up in a suburb north of Minneapolis, MN. He earned degrees in biochemistry and molecular biology, and chemistry, from Gustavus Adolphus College in Southern Minnesota. He then went on to earn his Doctor of Pharmacy degree from the University of Minnesota. His clinical interests include oncology, infectious diseases, and critical care. Gavyn enjoys hiking, camping, trying new breweries, and golfing. He is looking forward to exploring all that Colorado has to offer!
