

APPLICATION PROCEDURES

UCHealth School of Radiologic Technology

(Colorado Springs Campus) Deadline March 1st for the UCHealth School of Radiologic Technology – Memorial Hospital program (Colorado Springs, CO)

(Denver Campus) Deadline October 1st for the UCHealth School of Radiologic Technology – University of Colorado Hospital program (Aurora, CO)

No application will be accepted after the deadline if no application contact form has been submitted prior to the application deadline for each location.

Individuals wishing to enroll in the UCHealth School of Radiologic Technology must follow the following steps:

Step #1 (Required): Please ensure that all required prerequisite classes are either completed or in progress before submitting an application form.

Step #2 (Required): Please Provide information regarding all previous schooling on application check list. This should include the following:

- A. (Within 2 years) High School/GED (Electronically email transcript or mailed in)
- B. All College/Trade School (Electronically email transcripts or mailed in)

Step #3 (Required): Request transcripts from high school (only if high school is within the last 2 years) and all college transcripts. Transcripts should be sent directly to the radiology school by email or mail. Please include your maiden name if applicable. Receipt of the transcripts is the responsibility of the applicant; applications are not considered complete without transcripts. Note: Electronic transcripts are acceptable by email.

Step #4 (Required): Please provide employment references from your last three (3) places of employment. **These must be filled out on the form provided in the application packet. Please do not change format of the form.** These are to be kept confidential and should be sent directly to the radiology school by the person providing the reference via

email. We need a minimum of two (2) employer references but would prefer three (3). If you have only had one employer, you may use references from 3 different managers/supervisors of that business. If you are self-employed, please have the reference completed by someone you serve. If you have not been in the workplace for many years, you may use an individual of an organization where you volunteer, i.e.: church, school, scouts. (Make sure your references put your first and last name on anything submitted)

Step #5 (Required): RT statement letter: Include a one-page essay (a minimum of 150 words, double spaced) as to why you wish to become a radiologic technologist, how you became interested in the field, what you wish to do once you have completed your training, and the qualities you feel you possess which will make you successful in this program/career. Also, include a detailed description of any healthcare experience you currently or may have had in the past.

Step #6 (Required): Complete the application **online**, which is found on our website above “download forms”. If you cannot find it you will need to wait to submit during the application season dates which listed below.

- Applications for the Colorado Springs campus can be submitted between January 1st – March 1st in the year you are wanting to apply.
- Applications for the Denver/Aurora campus can be submitted between August 1st – October 1st in the year you are wanting to apply.

Step #7 (Required): Submit your application form, checklist, and RT statement letter together online; we will collect transcripts separate. All forms need to be in by the deadline, or your application will not be complete and will not be considered.

Only a completed application will be considered. The school will notify each applicant by email if they have a completed application. Each applicant will be notified if they have been selected or not for an interview by email or phone call after the application deadline by the middle of the deadline month (March for Colorado Springs Campus and October for Denver Campus).

We will keep completed applications on file for (1) one year. The applicant will need to notify the school if they choose to reapply, the applicant will need to resubmit a new application form, any updated transcripts, and anything else they would like to add to their application on file.

It is the responsibility of each candidate to ensure their application is complete.

Admissions Email
