

UCHealth MRI School – Online Traditional 2026 MRI Course

New Career Opportunities For UCH Technologists!

2026 MRI Classes

Did you know that UC Health has their own MRI school? These programs are certified by the Colorado Division of Private Occupational Schools and award college semester credits. These credits are transferable to most college's and can count toward your bachelor's degree at most institutions (in healthcare).

UCHealth School of Radiologic Technology – MRI Online Traditional Course –

18 semester credits

UCHealth School of Radiologic Technology – offers an **8-month MRI program** consisting of both classes and clinicals. Tuition costs are \$3,000 per semester for a total of **\$6,000** but qualifies for tuition reimbursement with GUILD.

- **First semester classes** are tentatively scheduled for March 31st 2026 – July 16th 2026, Tuesday and Thursday from 01:00 - 2:30 PM online using Microsoft Teams. Colorado Springs students will have MRI lab on Thursday evenings from 6:15 – 8:15 pm at Eastview Medical Center.
- **Second semester classes** are tentatively scheduled for August 18th 2026 – November 24th 2026, Tuesday and Thursday from 1:00-02:30 PM online using Microsoft Teams.

Clinical Requirements for MRI

Students must have approval from the MRI department supervisor within their region to provide **12 to 16 clinical hours per week** for a minimum of 256 clinical hours each semester. Colorado Springs region is already pre-approved for MRI clinical sites.

Students outside of Colorado Springs regions; approval from the desired clinical MRI cite must be granted before the start of the program. In the past, we have work with students in South Metro, Aurora, Longmont, Fort Collins, Pueblo and Greeley clinical locations. Please reach out to the radiology school to help coordinate a clinical site within UCH.

Students will be allowed to coordinate their own clinical schedule based on the availability of each MRI scanner. Students must complete a minimum of 125 exams with the ARRT.

Prerequisites: Current UCH employee and registered technologist with the ARRT in any of the following: Radiography, Nuclear Medicine Technology, Radiation Therapy, or Sonography.

Please submit applications **before February 26th 2026.** Interviews will be held shortly after.
