

## **SART Series: Care of the Male Patient**

**Presented by: Kelsey Rodriguez BSN, RN**

**Date: January 1 - December 31, 2026**  
**Time: Enduring**  
**Location: Virtual**

**Target Audience: RNs, SANEs, Advanced Practice Providers**

**Contact Hours Provided 1.0**  
**Expiration Date of Activity (Enduring Materials Only): December 31, 2026**

**Learning Outcome:**

**Knowledge:** Participants will self-report understanding of the incidence, prevalence, and risk factors for male victimization.

**Practice:** Upon completion, participants will demonstrate competence in developing trauma-informed plans of care for male patients who have experienced sexual assault, intimate partner violence, pediatric sexual abuse, and human trafficking.

**Requirements for successful completion of the educational activity:**

- Completion/submission of evaluation form
- Attendance for 100% of activity
- Successful completion of a post-test - attendee must score 80% or higher
