

Syphilis: Considerations for the FNE

Presented by: Megan Thimell BSN, RN, CEN, TCRN, SANE-A

Date: January 1 - December 31, 2026

Time: Enduring

Location: Web-based

Target Audience: RNs, SANEs, Advanced Practice Providers

Contact Hours Provided: 1.0

Expiration Date of Activity (Enduring Materials Only): 12/31/2026

Learning Outcome(s): Participants will self-report improved understanding of syphilis risk factors and prevalence; the clinical impact of undiagnosed or untreated syphilis in patients following sexual assault; and evidence-based testing and treatment practices.

Requirements for successful completion of the educational activity:

- Completion/submission of evaluation form
- Attendance for 100% of activity
- Successful completion of a post-test - attendee must score 80% or higher

None of the planners for this activity have a relevant financial relationship(s) to disclose with ineligible companies.

UCHealth is approved as a provider of nursing continuing professional development by Colorado Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.
