Chloe Beeson
PGY-1 Acute Care
Chloe.Beeson@UCHealth.org

Chloe Beeson is an Arizona native who earned her undergraduate degrees in biology and psychology from Arizona State University before crossing rival lines to complete her PharmD at the University of Arizona. Her clinical interests include critical care, infectious diseases and pediatrics. Outside of pharmacy, Chloe enjoys oil painting, listening to 70s music, thrifting, and spending time with loved ones (her two cats included). She is grateful to join the UCHealth team and is looking forward to living somewhere with seasons beyond “hot” and “less hot.”

Angel Delabbio
PGY-1 Acute Care
Angelina.Delabbio@UCHealth.org

Angel grew up in the small town of Hartland, Michigan. She earned her Bachelor of Science in Biochemistry from Grand Valley State University and her PharmD from the University of Colorado Skaggs School of Pharmacy. Prior to pharmacy school, Angel worked as a clinical research coordinator for Phase I cancer clinical trials. This experience solidified her desire to work with cancer patients and pursue a PGY2 in oncology following her first year of residency. In her free time, Angel loves to travel and be active in the outdoors – hiking, camping, snowboarding, and taking in all Colorado has to offer. Her cinnamon husky, Monti, is her favorite adventure buddy! When she isn't in the mountains, she enjoys trying new restaurants, coffee shops, and breweries in Denver.

Nicole DeLeon
PGY-1 Acute Care
Nicole.DeLeon@UCHealth.org

Nicole DeLeon is a Colorado native and earned her B.S. in Biomedical Sciences from the University of Colorado before earning her PharmD at the University of Colorado Skaggs School of Pharmacy. Prior to pharmacy school, she worked as an EMT, which sparked her interest in acute care and led to her clinical interests in emergency medicine, cardiology, and oncology. She plans to pursue a PGY2 residency in emergency medicine. Outside of pharmacy, Nicole enjoys snowboarding, finding a good coffee shop for a vanilla latte, and reading. She enjoys balancing time outdoors with quieter moments and is always on the lookout for a good book or her next day on the mountain. Nicole is excited to continue building her clinical foundation with UCHealth and to grow alongside her future colleagues in residency training.

Lakin Gardner
PGY-1 Acute Care
Lakin.Gardner@UCHealth.org

Lakin grew up in Spokane, WA, and earned her Doctor of Pharmacy at the University of Arizona (GO CATS!). Her clinical interests include emergency medicine, critical care, and surgery, with hopes to pursue a PGY2 residency in emergency medicine. Outside of the hospital, she is always up for adventure; whether that be her daily run, skiing, trying a new coffee shop, or making memories with friends/ family! Lakin is incredibly excited to join the UCHealth team and start this next chapter in the beautiful Mile High City.

Mai McWilliams
PGY-1 Acute Care
Mai.Mcwilliams@UCHealth.org

Mai McWilliams, originally from South Shore Massachusetts, earned her BS in Biochemistry and Molecular Biology from the University of Massachusetts Amherst before completing her Doctor of Pharmacy degree from the University of Pittsburgh School of Pharmacy (H2P!). Her clinical interests include emergency medicine and toxicology, and she hopes to complete a future PGY2 in emergency medicine. Outside of pharmacy, Mai loves to paint, try new restaurants, and spend time with her cats. Mai is absolutely thrilled to call Colorado her new home and learn from the team at UCHealth!

Sam Patton
PGY-1 Acute Care
Samantha.Patton@UCHealth.org

Sam is originally from Memphis, Tennessee and completed her undergraduate studies at the University of Georgia before moving to Salt Lake City and earning her Doctor of Pharmacy from the University of Utah. Her clinical areas of interest include critical care and cardiology, and she hopes to complete a PGY2 in one of these areas. Outside of work, you can find Sam on a camping trip, backcountry skiing, or being at the whim of her 110-pound Bernese Mountain Dog, Bucky. She is excited to explore the mountains around Denver and meet everyone on the UCHealth team!

Ryan Maese
PGY-1 HSPAL
Ryan.Maese@UCHealth.org

Ryan Maese grew up in Albuquerque NM and is currently a Health-System Pharmacy Administration and Leadership (HSPAL) resident at UCHealth in Aurora. He earned his Bachelor of Arts in Management Information Systems from New Mexico State University and his Doctor of Pharmacy from the University of New Mexico College of Pharmacy. Ryan brings over 15 years of professional management experience, with interests in pharmacy operations, leadership development, and health-system improvement. His clinical interests include critical care and antithrombosis. Outside of work, Ryan enjoys woodworking, hiking, and exploring Colorado's outdoors.
