

Steps to access the evaluation and CME certificate through eeds™

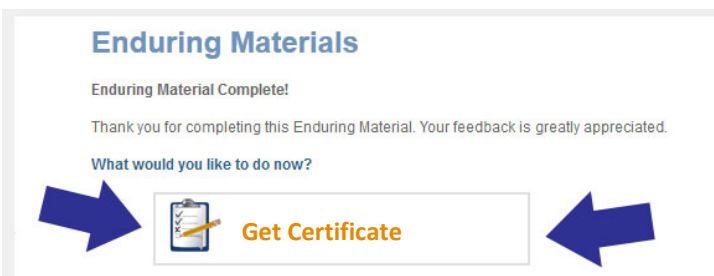

1. View the enduring material
2. Click the **HTML Link Test** to take the evaluation through eeds™

3. Enter your eeds™ PIN or name and email address. If you don't have an eeds™ account or don't know your PIN you will be asked for more information after you complete the posttest.

A screenshot of a login form. It says "Please enter your information below. Please note that if you don't know your eeds PIN you'll be asked for more account information after the post-test so that the sponsor can give you credit." There are two input fields: "eeds PIN:" and "Name:". Below the "Name:" field is an "E-mail:" field. A red bracket groups the "Name:" and "E-mail:" fields with the word "and". A "Next" button is at the bottom right.

4. Complete the evaluation then click **Submit Test**
5. If you entered your eeds™ PIN (in Step 3) after submitting the evaluation you will receive attendance credit and be given a link to access your CME certificate

6. If you don't know your eeds™ PIN or don't have an eeds™ account, you will be asked to enter the following information so eeds™ can verify or create their account. Most accounts are reviewed and verified within one business day.

A screenshot of a form titled "Enduring Materials". It says "Enduring Material Complete!" and "You have passed the Post-Test for this event, however, in order for Electronic Education Documentation System to give you CE/CME credit we'll need to find or create an eeds account for you. Please enter your information below." The form has fields for: First Name (John), Last Name (Smith), Email (jsmith@test.com), Degree (MD), Specialty (Internal Medicine), City of Practice (Asheville), and State of Practice (North Carolina). A "Create/Verify Account" button is at the bottom. Two large blue arrows point towards the button.

- After your account is reviewed, you will receive an email with a link to your certificate.
