

Medical Durable Power of Attorney

Patients who have a My Health Connection account, can create and/or update a Medical Durable Power of Attorney.

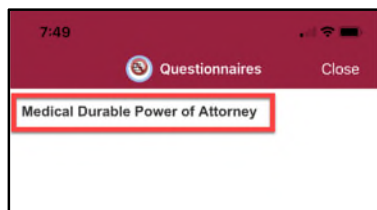

1. Login to your *My Health Connection* account.
2. Depending on the device you are using, follow the instructions below.

Phone (iPhone, Android)

From the toolbar, select **Questionnaires**. If you don't see it **planning**, slide the toolbar horizontally to the left.

Select **Medical Durable Power of Attorney**

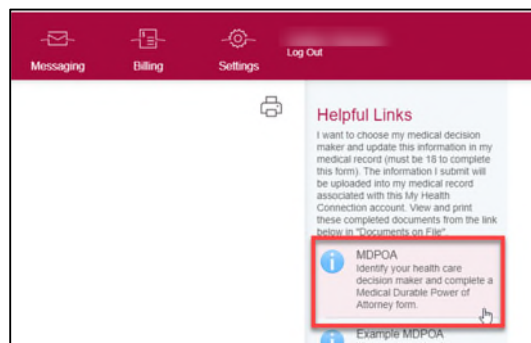

Desktop Computer

Hover over **Health Record** and select **Advance Care**

Select **Medical Durable Power of Attorney**

3. When the form opens, complete all areas.
4. Select **Agree** to update this as being the most recent *Medical Durable Power of Attorney*. Click **Continue**
5. Enter a **Delegate** (and up to **two alternatives**).
6. Review your responses and click **Submit**.
7. You can return and make edits at any time to this document.
